

Who co-signs with whom, net of everything else — political-bloc mixing (bipartite ERGM, MPLE + bootstrap)

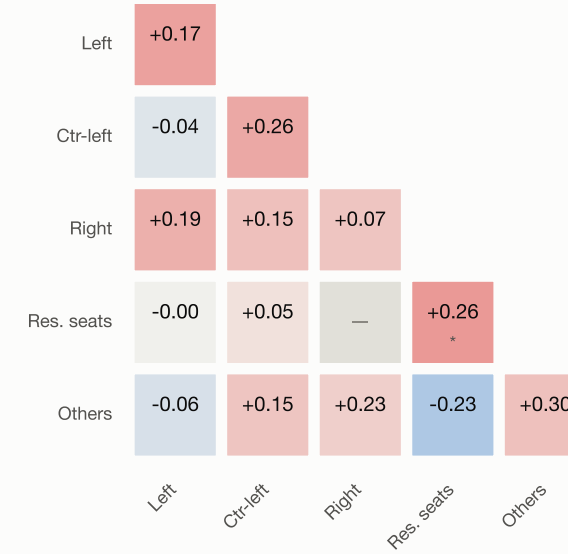

C1 — Political system

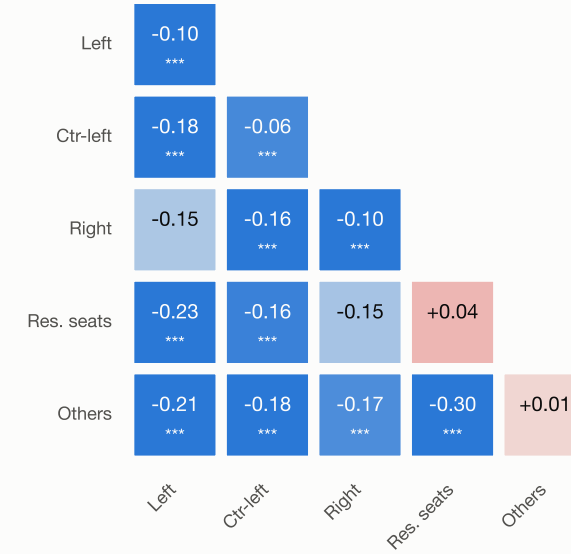

C2 — Const. principles

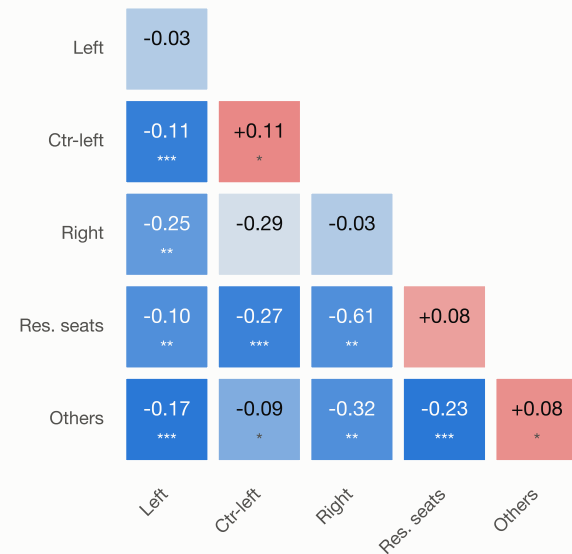

C3 — Form of the state

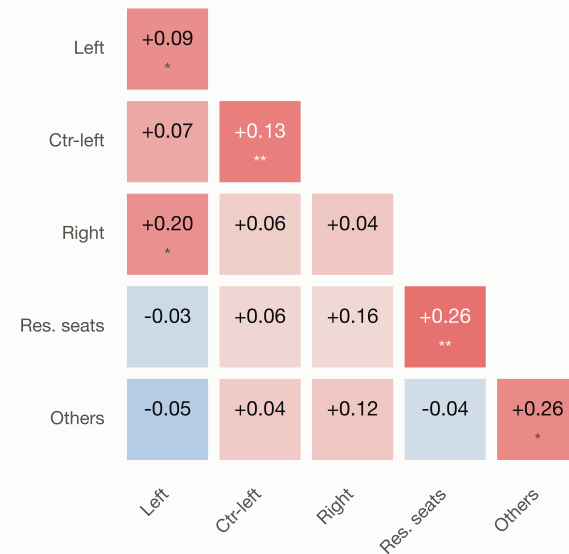

C4 — Fundamental rights

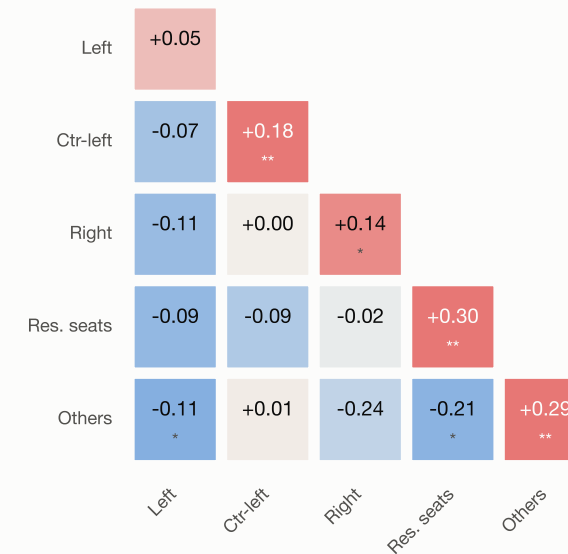

C5 — Environment

C6 — Justice systems

C7 — Knowledge systems

How to read

Each cell: log-odds of joining an initiative per current signer of that bloc pair, net of ideology (2-D, continuous), district, profile and structural terms.
Red = pair over-represented; blue = avoided; gray = pair never observed.
